

Symptoms: Can my child go to daycare?

If your child is showing symptoms, first contact the daycare facility (please note: this guidance does not refer to childminders) immediately to let them know your child will be absent due to illness and to discuss what the next steps are for everyone involved. The daycare facility will inform you about current rules as to when a child can return to daycare. Please remember that parents and the daycare facility are jointly responsible for protecting all children and staff and their families from infection.
